What is an open interview, anyway?

It's an opportunity for us to get to know each other without setting up an interview. You don't need to submit a resume ahead of time and wait for a call.

What do I need to bring?

Yourself. And your resume if you want, but it's not necessary.

Tell me more about the interview?

It will be a one-one interview that will be around 10-15 minutes.

What will you cover in the information sessions?

We'll tell you more about who we are, what we do, what the future of HWCEC looks like, how you can play a role. We will also go over job opportunities and benefits.

This day or time doesn't work for me.

That's ok. We still want to meet you and tell you more about us. Contact Mindy Thompson at mthompson@hwccenter.com to learn more.
